#### Care Property Invest expands its Dutch portfolio with a care residence in Ruurlo

---

*Schoten, Belgium – 17 May 2023*

Following the press release of 15 March 2023, Care Property Invest today successfully completed the acquisition of the 'Saamborgh Ruurlo' project, a sustainable residential care complex in the Gelderland municipality of Ruurlo (Berkelland). The recently completed project has an investment value of approximately €5.3 million and accommodates 23 residents.

The transaction took place today in the form of a share deal whereby the Company acquired the buildings and land through the acquisition of 100% of the shares in Gaudium Ruurlo I B.V., the real estate company in which the entire project is housed. Care Property Invest will acquire the property from Gaudium Real Estate, a leading Dutch developer specialising in the construction of care residences.

For the operation of 'Saamborgh Ruurlo', Care Property Invest joins forces for the first time with Saamborgh Verhuur B.V. (currently known under the commercial name 'Saamborgh'), a regional Dutch healthcare organisation offering small-scale living to elderly people in need of care. Care Property Invest takes over the existing rental agreement. It involves a long-term rental agreement of the 'triple net' type with a duration of minimum 20 years (renewable and annually indexable).

**Peter Van Heukelom, CEO of Care Property Invest:**

*'The acquisition of the residential care residence in Ruurlo marks another step forward in Care Property Invest's Dutch growth trajectory. We are delighted to further diversify our operator base in this market with the addition of Saamborgh as a new and reliable partner.'*

### The operator 'Saamborgh Ruurlo'

Saamborgh is a private healthcare organisation offering small-scale living to elderly people in need of care. Saamborgh's vision is to provide a sense of homeliness with 24-hour care, regardless of the resident's abilities. Togetherness and the experience of security are at the heart of this concept. The organisation offers physical (somatic) care as well as care for elderly people with memory problems in combination with various housing options. Saamborgh came into existence in 2017 through the merger of 3 locations, at the time under the name Lang Leve Thuis. During its five-year existence, 7 other locations were acquired. In 2021, the umbrella name 'Saamborgh' was introduced. Currently, the healthcare operator has 10 locations, including in Almelo, Almere, Bosch en Duin, Doetinchem, Loo, Tolkamer, Tiel and Westervoort. Their ambition is to grow further in the coming years and to contribute to the increasing demand for housing for the elderly.
